Prepared by: Cecilia Jones, ANC 1A Public Safety Committee Chair

Upcoming Public Safety Event: NWCHCA Community Public Forum

Tuesday, June 21, 2011, 6:30 – 8:30 PM, St. Stephens Episcopal Church, 1525 Newton Street NW

Topic: Listening Sessions on Youth Crime conducted by the Latin American Youth Center (LAYC)

May's Data Shows a Slight Upward Trend:

Data Source: MPD's "Crimemap" – <http://crimemap.dc.gov/presentation/intro.asp>

Key to Crime Abbreviations:

ADW = Assault with a Dangerous Weapon

Sex Abuse Includes Rape and Other Sexual Assaults, Child or Adult

Theft F/Auto = Theft from Auto (Car Break-ins)

Robbery:

F&V = Force and Violence (A Beating, No Weapon)

P/P = Pickpocket

PBS = Pocketbook Snatch (Purse Snatching)

Burglaries are down, probably due to law enforcement efforts. Robberies, thefts and thefts-from-auto remain high.

Criminal Justice Accountability Initiative: Protecting the Next Victim is Everyone's Responsibility

Many are not aware of the problem of chronic repeat criminal offenders in our community. The same defendants commit crime after crime, are arrested, sentenced and then released, only to commit more crimes. It's up to us to help "close the revolving door" and see that our system hands down meaningful sentencing, along with appropriate rehabilitation.

You can help by writing Community Impact Statements for criminal cases in your neighborhood. Here's the current list of cases tracked by CCJAI that are now **pending sentencing**, for ANC 1A and beyond.

All of the defendants shown in the following table have either pled guilty or have been found guilty. The defendants will be sentenced by the courts on the Sentencing Date.

It's time to support MPD's solid arrests with our Community Impact Statements. Not sure what to write? Send an e-mail to nwchca@gmail.com for more information.

Key to Case Information Shown in the Table:

Column Heading	Description
Sentencing Date	Date the defendant will be sentenced by the judge. Community Impact Statements must be submitted at least one week prior to the sentencing date. Two weeks prior to the sentencing date is the standard.
Defendant's Name	Name of the defendant who has pled guilty/was found guilty of the charge.
Age	The defendant's age. When young defendants are convicted of a felony but have only 1 or 2 adult cases, they may already be chronic repeat offenders in the juvenile system.
No of Cases	The number of defendant's papered arrests shown in the DC Superior Court's Online system. UNK=Unknown: When defendant's names are too common, it's not easy to tell how many cases are actually theirs and not someone else's.
Charge	Charge #1 for which the defendant is being sentenced. There may be additional charges.
Location of Offense	Address where the offense occurred. The address could be the block, the approximate address of the crime, where the suspect was arrested, where a warrant was served, or the police station/courthouse.
ANC SMD	The ANC Single Member District where the Location of Offense is.
ANC	Commissioner of the SMD of the Location of Offense. CCJAI needs ANC Commissioners to write Community Impact Statements and encourage others to write them too. We can reduce crime one SMD at a time.
Release Conditions	Whether or not the defendant is being held in jail pending case resolution. HOC=Held on Other Charges, HWOB=Held Without Bond, PR=Personal Recognizance, PR-HISP is Personal Recognizance-High Intensity Supervision Program. Most defendants are not held in jail while their cases are resolved, but they are required to follow release conditions.
