Criminal Justice Accountability Initiative: Protecting the Next Victim is Everyone's Responsibility

Many are not aware of the problem of chronic repeat criminal offenders in our community. The same defendants commit crime after crime, are arrested, sentenced and then released, only to commit more crimes. It's up to us to help "close the revolving door" and make sure that our system hands down meaningful sentencing, along with appropriate rehabilitation.

What can *YOU* do? You can help by writing Community Impact Statements for cases now **pending sentencing**. All of the defendants shown in the following table have either pled guilty or have been found guilty. All the listed charges are felonies. Many of the defendants are chronic repeat offenders—see the "No. of Cases" column. When young defendants are convicted of a felony but have only 1 or 2 adult cases, they may already be chronic repeat offenders in the juvenile system.

Key to Case Information Shown in the Tables:

Column Heading	Description
DCSC Case No.	DC Superior Court case number. Find case information online at https://www.dccourts.gov/cco/maincase.jsf
Sentencing Date/ (Sentenced)	Date the defendant will be (or was) sentenced by the judge. Community Impact Statements must be submitted at least one week prior to the sentencing date. Two weeks prior to the sentencing date is the standard.
Defendant's Name	Name of the defendant who has pled guilty/was found guilty of the charge.
Charge	Charge #1 for which the defendant is being sentenced. There may be additional charges.
Location of Offense	Approximate address where the offense occurred.
Age	The defendant's age.
No of Cases	The number of defendant's papered arrests shown in the DC Superior Court's Online system. UNK=Unknown: When defendant's names are too common, it's not easy to tell how many cases are actually theirs and not someone else's.
Results	The amount of jail time the defendant was sentenced to serve. Notation: X/Y: "Y" is the sentence, and "X" is the portion that was not suspended—how much time the defendant will actually serve. For example, "0/9 Mos" is a nine-month sentence with all of it suspended.
